**IT IS HEREBY ORDERED that Part IV of the Rules of Administrative
Procedures is hereby amended as follows:**

PART IV. MASTER COMMISSIONERS OF THE CIRCUIT COURT

Section 1. Authority, Application, and Scope

(1) These rules are adopted pursuant to the authority granted the Kentucky Supreme Court:

(a) By Section 116 of the Kentucky Constitution to prescribe rules for the appointment of commissioners and other court personnel and to promulgate rules of practice and procedure for the Kentucky Court of Justice; and,

(b) By KRS 31A.010(8) to make such rules, regulations, and accounting procedures as it may deem necessary for the appointment, conduct, and other matters relating to the master commissioner or receiver.

(2) These rules shall apply to all cases and proceedings referred to the master commissioner of the circuit court, including but not limited to judicial sales, settlement of estates, receiverships, and special proceedings.

(3) No local rules, practices, procedures, orders, or other policies of any circuit may conflict with or controvert these rules; further, to the extent that any such policies are inconsistent or otherwise conflict with these rules, these rules shall prevail.

Section 2. Appointment of Master Commissioner and Deputies; Qualifications

(1) A master commissioner may be appointed for each county within a judicial circuit.

- (a) In a single-judge circuit the appointment shall be made by the circuit judge.
 - (b) In judicial circuits with more than one judge the master commissioner shall be chosen by a majority of the circuit judges. In the event of a tie, the chief circuit judge shall choose from those receiving the tie vote.
 - (c) The circuit judge in a single-judge circuit or the chief circuit judge in a judicial circuit with more than one judge shall enter an order appointing the master commissioner for the term of office, and shall file a copy of the Order of Appointment with the Clerk of the Supreme Court and with the Administrative Office of the Courts, Division of Auditing Services.
- (2) The master commissioner shall serve at the pleasure of the judge(s) of the circuit court, but in no case shall his or her term exceed four years without reappointment.
- (a) In a single-judge circuit the term of the master commissioner shall automatically terminate following the death, resignation, or permanent replacement of the circuit judge who appointed the master commissioner.
 - (b) In a judicial circuit with more than one judge the master commissioner may be removed at any time by a majority vote of the circuit judges. In the event of a tie, the decision shall be made by the chief circuit judge.
- (3) The master commissioner shall be compensated by fees as provided in Sections 8 and 9 herein. The circuit court may allow the master commissioner a reasonable fee for acting as receiver of the court, for executing documents pursuant to court order, for performing such other functions as ordered by the court, and for performing judicial type functions in actions where the master commissioner does not execute a judicial sale.
- (4) The master commissioner shall maintain his or her office at such locations and during such hours as the chief circuit judge shall direct.
- (5) The master commissioner shall perform such functions, including those of a receiver, as may be directed by an appropriate order of the court.
- (6) Upon the express written authority of the Administrative Office of the Courts on behalf of the Chief Justice, the master commissioner may have such deputies and clerical staff as are necessary to perform the functions of his or her office.
- (7) A master commissioner or deputy master commissioner shall hold no other public office of the Court of Justice except that of trial commissioner for the

district court pursuant to SCR 5.010, or domestic relations commissioner as approved by the Chief Justice.

(8) Master commissioners and deputy master commissioners shall be qualified as licensed attorneys in good standing with the Kentucky Bar Association.

(9) The Administrative Office of the Courts shall have the authority to establish audit and accounting standards, prescribe bookkeeping and accounting practices and procedures, and otherwise perform audits and oversee the financial accounts of master commissioners. A copy of any audit report shall be submitted by the Administrative Office of the Courts to the chief circuit judge.

(a) In the event that the audit reveals a serious or recurring bookkeeping, accounting, procedural or other irregularity, a copy shall also be submitted to the Chief Justice and the Director of the Administrative Office of the Courts.

(b) After reviewing the audit report, the Chief Justice may refer the master commissioner to the judge(s) of the circuit court for removal.

(10) A non-refundable judicial sale administrative fee of \$200 shall be added to all cases referred to the master commissioner for judicial sale. The circuit court clerk shall collect the administrative fee at the time the referral is made, prior to processing the motion for judgment and distributing the order of sale. The fee shall be collected prior to the master commissioner undertaking the order of sale. The circuit court clerk shall promptly remit all fee monies collected to the Administrative Office of the Courts. Judicial sale administrative fee money is to be placed in a special account designated to cover the administrative costs of the master commissioner program. These costs include, but are not limited to, all necessary bonding of master commissioners and the employment of sufficient staff to conduct audits of master commissioner offices statewide. To whatever extent total judicial sale administrative fees collected do not fully cover these expenses, funds may be deducted from the excess fees master commissioners submit to the Administrative Office of the Courts with their mandatory annual accounting report.

Section 3. Powers of the Master Commissioner

An order of reference to the master commissioner or local rules of court may specify or limit the master commissioner's powers, and may direct him or her to report only upon particular issues, or to perform particular acts, or to receive and report evidence only. The order of reference may fix the time and place for beginning and closing the acts or issues referenced, and for the filing of the master commissioner's report. The master commissioner shall exercise the power to regulate all proceedings before him or her and to take all measures necessary for the efficient performance of his or her duties, subject

to the specifications and limitations stated in the order of reference or local rules of court. The master commissioner may require the production of evidence upon matters included in the order of reference, such as the production of all books, papers, vouchers, documents, and writings. The master commissioner may rule upon the admissibility of evidence, unless otherwise directed by the order of reference, and has the authority to put witnesses and parties under oath and examine same. The master commissioner shall make a record of the evidence offered and excluded in the same manner and subject to the same limitations as may be provided in applicable Rules of Civil Procedure and/or Rules of Evidence for a court sitting without a jury.

Section 4. Judicial Sales; Settlements; Receiverships

(1) Pursuant to the circuit court's order and in conformity with AP Part IV, Section 3, judicial sales may be executed, and accounts of estates may be settled, by a master commissioner. Subject to Section 1(3) and except as otherwise provided in Section 5, the terms and conditions of the judicial sale or estate settlement shall be established by the circuit court either in its order or rule, and in conformity with the Kentucky Revised Statutes.

(2) The judgment and order of sale directing the master commissioner to sell property shall be served upon every party who is not in default for failure to appear.

(3) For judicial sales referred to the master commissioner, the AOC-141S (Order Referring Case to Master Commissioner for Judicial Sale) or the AOC-141SP (Order Referring Case to Special Master Commissioner for Judicial Sale), shall be utilized. For all other matters referred to the master commissioner, the AOC-141 (Order Referring Case to Master Commissioner) shall be utilized.

(4) A master commissioner shall draft and execute documents necessary to complete any responsibility, including a report of any settlement, sale, or receivership. Further, an order of referral shall be entered by the circuit court referring the case to the master commissioner. Such documents shall be filed with the circuit court clerk of the county, which shall be entered into the case management system of the circuit court.

(5) The master commissioner shall serve notice of the date, time and place of the judicial sale upon every party who is not in default for failure to appear.

(6) Civil matters pertaining to the discovery of assets of judgment debtors may be referred to a master commissioner.

Section 5. General Provisions of Judicial Sales

(1) The master commissioner shall sell the property in a reasonable time not to exceed 90 days after the date of the order of referral except that property found to be "vacant and abandoned" shall be sold in accordance with KRS 426.205. Upon motion and good cause shown, the court may extend the deadline established by this subsection for a period not to exceed 30 days.

(2) Before any real property is sold under a judgment and order of sale, the appraisal value shall be determined by two disinterested persons both of whom are actively engaged in or have had at least one year of experience in the field of real estate. In accordance with KRS 426.520(2) the appraisal shall be in writing, shall be signed by the persons making it, and shall be filed in the court record prior to the sale.

(3) All sales shall be advertised in accordance with KRS 424.130 as follows: The advertisement shall be published at least once not less than seven days nor more than 21 days before the date of the sale, but may be published two or more times provided that one publication occurs not less than seven days nor more than 21 days before the date of the sale. The advertisement shall include:

(a) The time, place and terms of sale;

(b) A reference to the judgment and order of sale in case number YY-CI-####; and

(c) A description of the property to be sold, which shall include only the street address (or if the property has no street address a brief description of its location) and any number(s) assigned to the property/parcel by the tax assessor for purposes of identification and record keeping such as the parcel or property identification number.

(4) At the time of sale the successful bidder shall either pay full cash or make a deposit of 10% of the purchase price with the balance on credit for 30 days. If the purchase price is not paid in full, the successful bidder shall execute a bond at the time of sale with sufficient surety approved by the master commissioner prior to the sale to secure the unpaid balance of the purchase price. Pursuant to KRS 426.705 the bond shall bear interest at the rate the judgment bears, from the date of sale until paid, and shall have the force and effect of a judgment. In the event the successful bidder is the plaintiff, then in lieu of the deposit the plaintiff shall be allowed to bid on credit up to the judgment amount.

(5) The report of sale shall be filed by the master commissioner no later than three business days after the date of sale.

(6) The master commissioner shall execute and deliver the deed to the purchaser of the property no later than five business days after the court has confirmed the sale and approved the deed and all costs, fees, and other required amounts due and owing, if any, have been paid by the foreclosing mortgagee or lienholder or the purchase price has been paid in full by the third party purchaser.

Section 6. Special Proceedings of the Master Commissioner

(1) References.

References to master commissioners for special proceedings shall be warranted only in special cases and in cases where such reference is mandated by statute or rule of court. Cases may be regarded as special due to complexity of issues, damages which are difficult to calculate, a multiplicity of claims the priority of which must be established, matters of accounting involving complex or numerous transactions, or similar exceptional circumstances.

(2) Meetings.

When an order of reference is made the circuit court clerk shall forthwith furnish the master commissioner and all parties not in default with a copy of the order of reference. Upon receipt, the master commissioner shall forthwith set a time and place for the first meeting of the parties or their attorneys to be held within 20 days after the date of the order of reference and shall provide notice. It is the duty of the commissioner to proceed with reasonable diligence. Either party, on notice to the parties and master commissioner, may apply to the court for an order requiring the commissioner to speed the proceedings and to make his or her report. If a party fails to appear at the time and place appointed, the master commissioner may proceed ex parte or adjourn the proceedings to a future day, giving notice to the absent party of the adjournment.

(3) Witnesses.

In special proceedings, the parties may procure the attendance of witnesses before the master commissioner by the issuance and service of subpoenas as provided in CR 45. If, without good cause shown, a witness fails to appear or give evidence, he or she may be held in contempt and be subject to the provisions of CR 37 and CR 45.

(4) Statement of Accounts.

When matters of accounting are in issue before the master commissioner, he or she may prescribe the form in which the accounts shall be submitted. Upon objection of a party to any accounting, the master commissioner may require a

different form of statement to be furnished, or take testimony, or receive written interrogatories.

Section 7. Master Commissioner's Report in Special Proceedings

(1) Contents and filing of reporting in special proceedings or other mandated referrals.

The master commissioner shall prepare a report to the court upon the matters submitted by the order of reference or local rules of court and shall file the report and sufficient copies for all parties with the circuit court clerk. The clerk shall forthwith serve the report and notice of the filing upon all parties. A transcript of reported proceedings may be ordered by any party at that party's expense. If special proceedings or other mandated referrals are recorded on video, the untranscribed video recording shall constitute the official record.

(2) Action on report in special proceedings.

In special proceedings, within 10 days after being served with the notice of the filing of the report any party may serve written objections thereto upon the other parties. Application to the court for action upon the report and upon objections thereto shall be by motion and upon notice as prescribed in CR 6.04. The court after hearing may adopt the report, modify it, reject it in whole or in part, receive further evidence, or recommit it with instructions.

(3) Stipulation as to findings in special proceedings.

The effect of a master commissioner's report is the same whether or not the parties have consented to the order of reference, but, when the parties stipulate that a master commissioner's report shall be final, only questions of law arising upon the report shall thereafter be considered.

(4) Draft report of special proceedings.

Before filing the report, a master commissioner may submit a draft thereof to counsel for all parties for the purpose of receiving their comments.

(5) Report as security in special proceedings.

The master commissioner shall not retain the report as security for compensation. If the party ordered to pay the compensation does not pay it after notice and within the time prescribed by the court, the master commissioner is entitled to a writ of execution.

Section 8. Compensation of Master Commissioners, Deputies, and Clerical Staff

(1) Master commissioners shall be compensated by fee charged upon the parties or paid out of any fund of an action in the circuit court. Deputies, clerical staff and office expenses, as authorized in AP Part IV, Section 10, shall be paid from the excess fees of the office. Salaries of clerical staff shall be set in accordance with the pay schedule established by the judicial personnel system.

(2) The fee for each judicial sale shall be calculated as follows:

- (a) 5% of the first \$5,000 of the final bid, or if the sale involves multiple indivisible lots sold at the same time under the same judgment, 5% of the first \$5,000 of the aggregate of the final bids; 2% of the next \$20,000 of the final bid or bids; 1½% of the next \$175,000 of the final bid or bids; and ½% of the excess over \$200,000 of the final bid or bids. The fee based on the foregoing calculation shall be no less than \$400 and shall not exceed \$5,000.
- (b) If the sale involves more than one property, parcel, or judgment, a fee of \$650 per additional property, parcel, or judgment (e.g., the second, third, and subsequent) shall be assessed in addition to the fee calculated under subsection (2)(a) of this section.
- (c) If the sale is withdrawn, a fee of not more than 50% of what the sale fee would have been as calculated under subsections (2)(a) and (b) of this section based upon the appraisal value of the property, or \$400, whichever is greater, shall be assessed.
- (d) If the sale is not confirmed through no fault of the master commissioner, a fee of no more than the sale fee as calculated under subsections (2)(a) and (b) of this section shall be assessed.

(3) In addition to the fee authorized in subsection (2), above, the master commissioner may also recover necessary direct expenses attributable to the case referred for judicial sale including the cost of postage, copies, faxes, long distance telephone, advertising, appraisers, licensed auctioneer pursuant to KRS 426.522, and the cost of the care of the property in his or her possession, and shall recover the administrative fee prescribed in Section 2 (10). The circuit court may require a deposit sufficient in amount to pay the direct costs of sale.

(4) A fee of \$50 shall be charged for each report and recommendation(s) prepared on tendered foreclosure judgments in uncontested cases for enforcement of a mortgage or other lien. Additionally, a fee of \$50 shall be charged for drafting any necessary deed or title and executing same.

(5) For receiving and paying out money under court order, except as otherwise provided in subsection (2), and for settling the accounts of estates the fee shall be 3% of the first \$2,000; 2½% for the next \$3,000; and, 1½% for the excess over \$5,000. For settlement of accounts of insolvent estates this computation shall exclude any amounts exempt from creditors. In no case shall the fee exceed \$5,000.

Section 9. Limit on Compensation of Master Commissioners, Deputies, and Clerical Staff

(1) The office of master commissioner shall be limited in total personal compensation derived from fees to not more than \$48,000 per annum, unless otherwise approved by written order of the Chief Justice. Said limitation on compensation shall be disbursed on a prorated basis over a 12 month period, with the master commissioner receiving no more than 1/12 of his or her annual compensation per month. Further, said limitation on compensation shall be prorated on a monthly basis where the master commissioner serves less than the entire year. Where a master commissioner also acts as a domestic relations commissioner, the fees generated by the office of master commissioner shall not be co-mingled with the fees generated by the office of domestic relations commissioner.

(2) Each deputy master commissioner shall be limited in his or her total personal compensation derived from fees to not more than \$38,400 per annum. Said limitation on compensation shall be disbursed on a prorated basis over a 12 month period, with the deputy master commissioner receiving no more than 1/12 of his or her annual compensation per month. Further, said limitation on compensation shall be prorated on a monthly basis where the deputy commissioner serves less than the entire year. Salaries of clerical staff shall be set in accordance with the pay schedule established by the judicial personnel system. Any increase in personal compensation for clerical staff shall be in accordance with the allowed Court of Justice annual increment.

(3) Fees in excess of the personal compensation of the master commissioner, less authorized salaries and expenses, shall be remitted as provided in Section 10(4) of these Rules; however, anticipated three months expenses, excluding the master commissioner salary, may be retained. Computation of anticipated three months expenses shall be supported by adequate records and documentary evidence which shall also be submitted with the annual accounting report tendered to the Administrative Office of the Courts, Division of Auditing Services.
